To: **The Shareholders of THREE-A RESOURCES BERHAD**

Dear Sir/Madam,

PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES

1. INTRODUCTION

On 21 April 2022, the Board announced to Bursa Securities that the Company intends to seek shareholders' approval for the Proposed Renewal at the 20th AGM.

The purpose of this Statement is to provide you with information in relation to the Proposed Renewal and to seek your approval on the ordinary resolution pertaining to the Proposed Renewal to be tabled at the forthcoming AGM of the Company. The Notice of the 20th AGM and the Form of Proxy are enclosed in the Annual Report 2021, despatched to you together with this Statement.

SHAREHOLDERS ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED RENEWAL

At the last AGM held on 21 June 2021, the Company had obtained its shareholders' approval to purchase up to ten percent (10%) of the total number of issued shares of the Company and the aforesaid approval will expire at the conclusion of the 20th AGM of the Company unless the approval is renewed.

The Company proposes to seek approval from its shareholders at the 20th AGM for the renewal of authority for the proposed purchase of the Company's own shares of up to ten percent (10%) of the total number of issued shares of the Company, subject to compliance with the provision of the Act, the Listing Requirements and/or any other relevant authorities.

As at LPD, the Company had purchased a total of 1,768,800 Shares which were retained as Treasury Shares. The total number of issued shares as at LPD before adjusting for the Treasury Shares held is 492,000,010 3A Shares.

The Proposed Renewal shall be effective immediately upon the passing of the ordinary resolution to be tabled at the 20th AGM of the Company to be convened and will continue to be in force until:-

- (a) The conclusion of the next AGM of the Company following at which time the authority shall lapse unless by ordinary resolution passed at the meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) The expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) The authority is revoked or varied by ordinary resolution passed by the shareholders of the Company at a general meeting,

whichever occurs first, but shall not prejudice the completion of purchase(s) by the Company of its own Shares before the aforesaid expiry date and, in any event, in accordance with the Listing Requirements and any applicable laws, rules, regulations, orders, guidelines and requirement issued by any relevant authorities.

3. QUANTUM

The maximum number of 3A Shares which may be purchased by the Company shall not exceed ten percent (10%) of the total number of issued shares of the Company in compliance with Paragraph 12.09 of the Listing Requirements.

However, the actual number of 3A Shares to be purchased by the Company pursuant to the Proposed Renewal, the total amount of funds involved for each purchase(s) and the time of the purchase(s) will depend on *inter alia*, the market conditions and sentiments of the stock market, the availability of financial resources of the Company and the availability of the retained profits of the Company.

4. MAXIMUM AMOUNT OF FUNDS TO BE ALLOCATED AND SOURCE OF FUNDS

The funding for the purchase of 3A Shares pursuant to the Proposed Renewal will be from internally generated funds and/or borrowings or a combination of both, the proportion of which will depend on the actual number of 3A Shares to be purchased, the price(s) of the Shares, available funds at the time of purchase(s) and other relevant cost factors.

The maximum amount allocated for such transactions shall not exceed the aggregate balance standing in the retained profits of the Company.

Based on the latest Audited Financial Statements of the Company for the financial year ended 31 December 2021, the retained earnings of the Company are RM16,876,000.

In the event the Company purchases its own shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment is not expected to have a material effect on the cash flow of the Company.

5. RATIONALE FOR THE PROPOSED RENEWAL

The Proposed Renewal will enable the Company to utilise its financial resources not immediately required for use to purchase its own Shares from Bursa Securities. It may help to stabilise the supply and demand and price of its Shares traded on Bursa Securities, thereby supporting the fundamental value of the Shares.

The 3A Shares purchased, whether to be held as Treasury Shares or subsequently cancelled, will effectively reduce the number of Shares carrying voting and participation rights. Therefore, the Proposed Renewal may increase shareholders' value and to improve, *inter alia*, the return on equity of the Group. The purchase of 3A Shares may result in an improvement to the consolidated EPS and/or NA per Share of the Group (given the decreased share base used for the computation of the EPS and NA).

The Purchased Shares can be held as Treasury Shares and resold on Bursa Securities at a higher price with the intention of realising potential gain without affecting the total issued share capital of the Company. Should any Treasury Shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

6. TREATMENT OF PURCHASED SHARES

In accordance with Section 127 of the Act, the Board may, at its discretion, deal with any Purchased Shares in the following manners:-

- (a) To cancel the Purchased Shares;
- (b) To retain the Purchased Shares as Treasury Shares for distribution as share dividends to the Shareholders of the Company, which then may be applied as a reduction of the retained earnings of the Company, and/or resell on market of Bursa Securities in accordance with the relevant rules of Bursa Securities, and/or transfer for purposes of or under an employees' share scheme, and/or transfer as purchase consideration, and/or cancel subsequently;
- (c) To retain part of the Purchased Shares as Treasury Shares and cancel the remainder; or
- (d) In any other manners as may be prescribed by all applicable laws and/or regulations and guidelines applied from time to time by Bursa Securities and/or relevant authority for the time being in force.

Section 127(8) of the Act states that the holder of Treasury Shares which are held under Section 127(5) of the Act shall not confer :-

- (a) The right to attend or vote at meetings and any purported exercise of such rights is void; and
- (b) The right to receive dividends or other distribution, whether cash or otherwise, of the company's assets including any distribution of assets upon winding up of the company.

While the Purchased Shares are held as Treasury Shares, the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purpose including, without limiting the generality of Section 127(9) of the Act, the provisions of any law or requirements of the constitution of the Company or the listing requirements of a stock exchange on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

As at the date of this Statement, the Board has yet to decide on the treatment of the Shares so purchased and will take into consideration the effects of such treatment on the Company in arriving at its decision. An immediate announcement will be made to Bursa Securities upon each purchase, cancellation, resale and/or transfer of Shares pursuant to the Proposed Renewal.

7. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL

The potential advantages of the Proposed Renewal to the Company and its shareholders are as follows:-

- (a) The Proposed Renewal will allow the Company to utilise its financial resources where there is no immediate use, to purchase the 3A Shares. If the 3A Shares purchased are held as Treasury Shares or cancelled immediately, this may improve the consolidated EPS of the Group;
- (b) The Proposed Renewal may also help to stabilise the supply and demand and price of 3A Shares traded on Bursa Securities and reduce the volatility of 3A Share prices. The stability of 3A Share prices is important to maintain investors' confidence to facilitate future fund-raising exercises of the Company via the equity market;
- (c) The Proposed Renewal will provide the Company opportunities for potential gains if the Purchased Shares which are retained as Treasury Shares are resold at prices higher than the purchase prices; and
- (d) In the event the Treasury Shares are distributed as share dividends, it will serve to reward the shareholders of 3A.

The potential disadvantages of the Proposed Renewal to the Company and its shareholders are as follows:-

- (a) The Proposed Renewal, if implemented, will reduce the financial resources of the Company;
- (b) The cash flow of the Company may be affected if the Company decides to utilise bank borrowings to finance the Proposed Renewal;
- (c) The funds allocated for the Proposed Renewal could be used for other better investment opportunities which may emerge in the future; and
- (d) As the funds to be allocated for the Proposed Renewal must be made wholly out of the Company's retained profits, the amount available from this account for distribution of dividends to shareholders of the Company may decrease accordingly.

The Proposed Renewal, however, is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be exercised only after in-depth consideration of the financial resources of 3A which need to be balanced against investment opportunities and other proposals that can enhance the value to its shareholders. The Board, in exercising any decision in implementing the Proposed Renewal, will be mindful of the interests of the Company and its shareholders.

8. EFFECTS OF THE PROPOSED RENEWAL

The effects of the Proposed Renewal on the share capital, NA, working capital, earnings and shareholdings of Directors and Substantial Shareholders of the Company are set out below:-

(a) Share Capital

The effect of the Proposed Renewal on the issued share capital of the Company will depend on whether the Purchased Shares are cancelled or retained as Treasury Shares. On the assumption that the Proposed Renewal is carried out in full and all the 3A Shares so acquired are subsequently cancelled, the Proposed Renewal will result in the total number of issued shares of the Company as at the LPD to be reduced as follows:

Issued share capital as at LPD	No. of 3A Shares 492,000,010
Less: Maximum number of 3A Shares that may be purchased and cancelled pursuant to the Proposed Renewal	(49,200,001*)
Resultant issued share capital after cancellation of 3A Shares purchased under the Proposed Renewal	<hr/> <u>442,800,009</u> <hr/>

**Inclusive of 1,768,800 Treasury Shares as at LPD.*

In the event that all the 3A Shares so purchased are retained as Treasury Shares and not to be cancelled, the Proposed Renewal will not have any effect on the total number of issued shares of the Company.

(b) Earnings

The effects of the Proposed Renewal on the consolidated earnings and EPS of 3A Group would depend on, *inter alia*, the number of Purchased Shares, the effective cost of funding as well as the interest income foregone in connection with funding such Purchased Shares. If the Purchased Shares are retained as Treasury Shares or cancelled subsequently, the number of shares applied in the computation of the EPS will be reduced and, this may improve the consolidated EPS of 3A Group.

(c) NA

The consolidated NA of the Group may increase or decrease depending on the number of 3A Shares purchased, the purchase price(s) of the 3A Shares, the effective cost of funding and the treatment of the 3A Shares purchased.

The Proposed Renewal will reduce the NA per Share when the purchase price exceeds the NA per Share at the time of purchase. On the contrary, the NA per Share will increase when the purchase price is less than the NA per Share at the time of purchase.

(d) Working Capital

The Proposed Renewal, as and when implemented, will reduce the working capital and cash flow of 3A Group, the quantum of which depends on, among others, the number of 3A Shares so purchased and the purchase price(s) of the 3A Shares.

For 3A Shares so purchased which are kept as Treasury Shares, upon their resale, the working capital and the cash flow of 3A Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the Treasury Shares and the number of Treasury Shares resold.

(e) Dividends

Assuming the Proposed Renewal is implemented in full and the dividend quantum is maintained at historical levels, the Proposed Renewal will have the effect of increasing the dividend rate of the Company as a result of the suspension of the rights of Treasury Shares to dividend entitlement or the reduction in the total number of issued shares of the Company in the event of the Treasury Shares being cancelled.

The Proposed Renewal may reduce the cash available which may otherwise be used for dividend payments. Nonetheless, the Treasury Shares may be distributed as dividends to the shareholders of the Company, if the Company so decides.

(f) Gearing

The effect of the Proposed Renewal on the gearing of the Group will depend on the proportion of borrowings utilised to fund any purchase of Shares. The utilisation of any borrowings to fund the purchase of any Shares will increase the gearing of the Group.

(g) **Directors' and Substantial Shareholders' Shareholdings**

Based on the Registers of Directors' Shareholdings and Substantial Shareholders as at LPD and assuming that the Proposed Renewal is implemented up to the maximum of 10% of the total number of issued shares of the Company and that the Purchased Shares are from the shareholders other than the Directors and Substantial Shareholders of 3A, the effect of the Proposed Renewal on the shareholdings of the Directors and Substantial Shareholders of 3A are set out below:-

- # Based on the assumption that the maximum number of Shares bought back by 3A are up to 10% of the Company's total number of issued shares.
