To: **The Shareholders of Three-A Resources Berhad**

Dear Sir/Madam,

### PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES

---

#### 1. INTRODUCTION

On 17 March 2017, the Board announced to Bursa Securities that the Company intends to seek shareholders' approval for the Proposed Renewal at the Fifteenth AGM.

The purpose of this Statement is to provide you with information in relation to the Proposed Renewal and to seek your approval on the ordinary resolution pertaining to the Proposed Renewal to be tabled at the forthcoming AGM of the Company. The Notice of the Fifteenth AGM and the Form of Proxy are enclosed in the Annual Report 2016, despatched to you together with this Statement.

**SHAREHOLDERS ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL AT THE FORTHCOMING AGM.**

#### 2. DETAILS OF THE PROPOSED RENEWAL

At the last AGM held on 5 May 2016, the Company had obtained its shareholders' approval to purchase up to ten

percent (10%) of the total number of issued shares of the Company and the aforesaid approval will expire at the conclusion of the Fifteenth AGM of the Company unless the approval is renewed.

The Company proposes to seek approval from its shareholders at the Fifteenth AGM for the renewal of authority for the proposed purchase of the Company's own shares of up to ten percent (10%) of the total number of issued shares of the Company, subject to compliance with the provision of the Act, the Listing Requirements and/or any other relevant authorities.

The Company did not purchase any Shares in 2016.

The Proposed Renewal shall be effective immediately upon the passing of the ordinary resolution to be tabled at the Fifteenth AGM of the Company to be convened and will continue to be in force until:-

- (a) the conclusion of the next AGM of the Company following the Fifteenth AGM at which the ordinary resolution for the Proposed Renewal was passed, at which time the authority shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company after the Fifteenth AGM is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company at a general meeting;

whichever occurs first, but shall not prejudice the completion of purchase(s) by the Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the Listing Requirements and any other relevant authorities.

### **3. QUANTUM**

The maximum number of 3A Shares which may be purchased by the Company shall not exceed ten percent (10%) of the total number of issued shares of the Company in compliance with Paragraph 12.09 of the Listing Requirements.

However, the actual number of 3A Shares to be purchased by the Company pursuant to the Proposed Renewal, the total amount of funds involved for each purchase(s) and the time of the purchase(s) will depend on *inter alia*, the market conditions and sentiments of the stock market, the availability of financial resources of the Company and the availability of the retained profits of the Company.

### **4. FUNDING**

The funding for the purchase of 3A Shares pursuant to the Proposed Renewal will be from internally generated funds and/or borrowings or a combination of both, the proportion of which will depend on the actual number of 3A Shares to be purchased, the price(s) of the Shares, available funds at the time of purchase(s) and other relevant cost factors.

The maximum amount allocated for such transactions shall not exceed the aggregate balance standing in the retained profits of the Company.

Based on the latest Audited Financial Statements of the Company for the financial year ended 31 December 2016, the retained profits of the Company are RM32,665,000.

In the event the Company purchases its own shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment is not expected to have a material effect on the cash flow of the Company.

### **5. RATIONALE FOR THE PROPOSED RENEWAL**

The Proposed Renewal will enable the Company to utilise its financial resources not immediately required for use to purchase its own Shares from Bursa Securities. It may help to stabilise the supply and demand and price of its Shares traded on Bursa Securities, thereby supporting the fundamental value of the Shares.

The 3A Shares purchased, whether to be held as Treasury Shares or subsequently cancelled, will effectively reduce the number of Shares carrying voting and participation rights. Therefore, the Proposed Renewal may increase shareholders' value and to improve, *inter alia*, the return on equity of the Group. Share purchases also allow the Directors to exercise control over the Company's share structure. The purchase of 3A Shares is expected to result in an improvement to the consolidated EPS and/or NA per Share of the Group (given the decreased share base used for the computation of the EPS and NA).

The Purchased Shares can be held as Treasury Shares and resold on Bursa Securities at a higher price with the intention of realising potential gain without affecting the total issued share capital of the Company. Should any Treasury Shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

## **6. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL**

The potential advantages of the Proposed Renewal to the Company and its shareholders are as follows:-

- (a) the Proposed Renewal will allow the Company to utilise its financial resources where there are no immediate use, to purchase the 3A Shares. If the 3A Shares purchased are held as Treasury Shares or cancelled immediately, this may strengthen the consolidated EPS of the Group;
- (b) the Proposed Renewal may also help to stabilise the supply and demand and price of 3A Shares traded on Bursa Securities and reduce the volatility of 3A Share prices. The stability of 3A Share prices is important to maintain investors' confidence to facilitate future fund raising exercises of the Company via the equity market;
- (c) the Proposed Renewal will provide the Company opportunities for potential gains if the Purchased Shares which are retained as Treasury Shares are resold at prices higher than the purchase prices; and
- (d) in the event the Treasury Shares are distributed as share dividends, it will serve to reward the shareholders of 3A.

The potential disadvantages of the Proposed Renewal to the Company and its shareholders are as follows:-

- (a) the Proposed Renewal, if implemented, will reduce the financial resources of the Company. However, the financial resources of the Group may recover or increase if the Purchased Shares held are resold as Treasury Shares in the market;
- (b) the cash flow of the Company may be affected if the Company decides to utilise bank borrowings to finance the Proposed Renewal;
- (c) the funds allocated for the Proposed Renewal could be used for other better investment opportunities which may emerge in the future; and
- (d) as the funds to be allocated for the Proposed Renewal must be made wholly out of the Company's retained profits, the amount available from this account for distribution of dividends to shareholders of the Company may decrease accordingly.

The Proposed Renewal, however, is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be exercised only after in-depth consideration of the financial resources of 3A which need to be balanced against investment opportunities and other proposals that can enhance the value to its shareholders. The Board, in exercising any decision in implementing the Proposed Renewal, will be mindful of the interests of the Company and its shareholders.

## **7. EFFECTS OF THE PROPOSED RENEWAL**

The effects of the Proposed Renewal on the share capital, NA, working capital, earnings and shareholdings of Directors and Substantial Shareholders of the Company are set out below:-

**(a) Share Capital**

The effect of the Proposed Renewal on the issued share capital of the Company will depend on whether the Purchased Shares are cancelled or retained as Treasury Shares. On the assumption that the Proposed Renewal is carried out in full and all the 3A Shares so acquired are subsequently cancelled, the Proposed Renewal will result in the total number of issued shares of the Company as at the LPD to be reduced as follows:

	<b>No. of Shares</b>	<b>Total (RM)</b>
Issued share capital as at LPD	393,600,019	78,720,003.80
Less: Maximum number of 3A Shares that may be purchased and cancelled pursuant to the Proposed Renewal	(39,360,001)	(7,872,000.20)
Resultant issued share capital after cancellation of 3A Shares purchased under the Proposed Renewal	<u>354,240,018</u>	<u>70,848,003.60</u>

In the event that all the 3A Shares so purchased are retained as Treasury Shares and not to be cancelled, the Proposed Renewal will not have any effect on the total number of issued shares of the Company.

Section 127(8) of the Act states that the holder of Treasury Shares which are held under Section 127(5) of the Act shall not confer:-

- (a) The right to attend or vote at meetings and any purported exercise of such rights is void; and
- (b) The right to receive dividends or other distribution, whether cash or otherwise, of the company's assets including any distribution of assets upon winding up of the company.

While the Purchased Shares are held as Treasury Shares, the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the company for any purpose including, without limiting the generality of Section 127(9) of the Act, the provisions of any law or requirements of the constitution of the Company or the listing requirements of a stock exchange on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

**(b) Earnings**

The effects of the Proposed Renewal on the consolidated earnings and EPS of 3A Group would depend on, *inter alia*, the purchase price(s) of the 3A Shares, the effective cost of funding, the number of Purchased Shares, any loss in interest income or proposed treatment of the Purchased Shares. If the Purchased Shares are retained as Treasury Shares or cancelled subsequently, the number of shares applied in the computation of the EPS will be reduced, and accordingly all other things being equal, the Proposed Renewal will have a positive impact on the consolidated EPS of 3A Group.

Assuming that any Shares so purchased are retained as Treasury Shares and resold, the effects on the consolidated earnings of 3A Group will depend on the actual selling price(s), the number of Treasury Shares resold and the effective gain or interest savings arising from the exercise.

If the 3A Shares so purchased and retained as Treasury Shares or cancelled immediately, the consolidated EPS of 3A Group will increase provided the income foregone and interest expense incurred on these 3A Shares is less than the consolidated EPS prior to such purchase.

**(c) NA**

The consolidated NA of the Group may increase or decrease depending on the number of 3A Shares purchased, the purchase price(s) of the 3A Shares, the effective cost of funding and the treatment of the 3A Shares purchased.

The Proposed Renewal will reduce the NA per Share when the purchase price exceeds the NA per Share at the time of purchase. On the contrary, the NA per Share will increase when the purchase price is less than the NA per Share at the time of purchase.

**(d) Working Capital**

The Proposed Renewal, as and when implemented, will reduce the working capital and cash flow of 3A Group, the quantum of which depends on, among others, the number of 3A Shares so purchased and the purchase price(s) of the 3A Shares.

For 3A Shares so purchased which are kept as Treasury Shares, upon their resale, the working capital and the cash flow of 3A Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the Treasury Shares and the number of Treasury Shares resold.

**(e) Dividends**

Assuming the Proposed Renewal is implemented in full and the dividend quantum is maintained at historical levels, the Proposed Renewal will have the effect of increasing the dividend rate of the Company as a result of the suspension of the rights of Treasury Shares to dividend entitlement or the reduction in the total number of issued shares of the Company in the event of the Treasury Shares being cancelled.

The Proposed Renewal may reduce the cash available which may otherwise be used for dividend payments. Nonetheless, the Treasury Shares may be distributed as dividends to the shareholders of the Company, if the Company so decides.

**(f) Gearing**

The effect of the Proposed Renewal on the gearing of the Group will depend on the proportion of borrowings utilised to fund any purchase of Shares. The utilisation of any borrowings to fund the purchase of any Shares will increase the gearing of the Group.

*The rest of this page is intentionally left blank*

(g) **DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS AND PERSONS CONNECTED WITH THEM**

Based on the Registers of Directors' Shareholdings and Substantial Shareholders and Records of Depositors as at LPD and assuming that the Proposed Renewal is implemented up to the maximum of 10% of the total number of issued shares of the Company and that the Purchased Shares are from the shareholders other than the Directors and Substantial Shareholders of 3A, the effect of the Proposed Renewal on the shareholdings of the Directors and Substantial Shareholders of 3A are set out below:-

  - 5 *Deemed interest through Seong Chan Sauce & Foodstuff Sdn Bhd pursuant to Section 8 of the Act.*
- neg *negligible*

*The rest of this page is intentionally left blank*

## 8. PUBLIC SHAREHOLDING SPREAD

The public shareholding spread of the Company as at the LPD and the resulting public shareholding spread of the Company, assuming the Company implements the Proposed Renewal in full, are as follows:-

	As at the LPD <sup>@</sup>	After the Proposed Renewal <sup>#</sup>
Public Shareholding Spread	52.77%	47.52%

### Notes:

@ Computation of percentage of shareholdings based on total Shares of 3A

# Based on the assumption that the maximum number of Shares bought back by 3A are up to 10% of the Company's total number of issued shares.

The Board is mindful of the requirement to maintain the public shareholding spread of at least twenty-five percent (25%) of the total number of issued shares of the Company (excluding treasury shares) and will continue to be mindful of such requirements when making of any purchase of 3A Shares pursuant to the Proposed Renewal.

## 9. IMPLICATIONS OF THE CODE

Pursuant to the Code, if the Proposed Renewal results in any one of the Directors and/or Substantial Shareholders and their respective parties acting in concert ("Affected Persons") obtain control in the Company or if his/their existing shareholdings is between thirty-three percent (33%) and fifty percent (50%) of the voting shares or voting rights of the Company and as a result of the Proposed Renewal, increase(s) his/their holding of the voting shares or voting rights by more than two percent (2%) in any six (6) months period, the Affected Persons would be obliged to undertake a mandatory offer to acquire the remaining 3A Shares not already owned by him/them pursuant to the Code. However, a waiver to undertake a mandatory offer may be granted by the SC under the Code, subject to the Affected Persons complying with certain conditions in the Code.

The Company intends to implement the Proposed Renewal in the manner that will not result in any of the shareholders having to undertake a mandatory offer pursuant to the Code. In this respect, the Board will be mindful of the requirements of the Code when implementing the Proposed Renewal.

In the event 3A decides to purchase its own shares which will result in the increase of the Affected Persons' shareholdings in 3A to more than 2% in any six (6) month period, the Affected Persons will seek a waiver from the SC under the Code before the Company purchase such Shares.

## 10. INTERESTS OF DIRECTORS, SUBSTANTIAL SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM

None of the Directors and/or substantial shareholders and/or persons connected to them, has any interest, direct or indirect, in the Proposed Renewal or the subsequent resale of the Treasury Shares, if any.

## 11. APPROVAL REQUIRED

The Proposed Renewal is subject to the approval of the shareholders of 3A at the forthcoming Fifteenth AGM to be convened. Save for the approval of the shareholders of 3A, there is no other approvals required for the Proposed Renewal.

**12. DIRECTORS' RECOMMENDATION**

The Board, having considered the Proposed Renewal, is of the opinion that the Proposed Renewal is in the best interest of the Company. Accordingly, the Board recommends that the shareholders of 3A vote in favour of the ordinary resolution pertaining to the Proposed Renewal to be tabled at the Fifteenth AGM of the Company.

**13. AGM**

The Fifteenth AGM, the notice of which is enclosed in the Annual Report 2016, will be held at Ballroom, Level 1, Tropicana Golf and Country Resort, Jalan Kelab Tropicana, 47410 Petaling Jaya, Selangor Darul Ehsan on 11 May 2017 at 11.00 a.m. for the purpose of considering and if thought fit, passing, *inter alia*, the ordinary resolution in relation to the Proposed Renewal under the agenda of "Special Business", to give effect to the Proposed Renewal.

If you are unable to attend and vote in person at the AGM, you should complete and return the Form of Proxy enclosed in the Annual Report 2016 in accordance with the instructions therein as soon as possible and in any event, so as to arrive at the Registered Office of the Company at AL 308, Lot 590 & Lot 4196, Jalan Industri, U19 Kampung Baru Sungai Buloh, 40160 Shah Alam Selangor Darul Ehsan, Malaysia not later than forty-eight (48) hours before the time set for holding the AGM or any adjournment thereof. The completion and return of the Form of Proxy will not, however, preclude you from attending and voting in person at the AGM should you subsequently wish to do so.

Yours faithfully

For and on behalf of the Board of Directors
